Principal's Message

After a busy beginning to the year, we are getting close to the end of the first term for secondary students, with the elementary ending their first term in early December. Please ensure you are in communication with your teacher about progress in your learning plans and courses, as they will be writing report cards in the coming weeks.

Also, the elementary students have been involved with the ArtStarts program, working with local potter, Ellie Sheepens. If you are interested in sharing any pictures of your child's artwork, we would be pleased to include it in a photo gallery on our school website.

I will be holding the first of our parent consultation meetings at the end of this month, Wednesday, November 25 from 11am-noon. The purpose of this meeting is to hear from parents what is working well at the DL school as well as what are areas for growth. We hope you can join us at this time. The next parent consultation meeting will be in February.

Warmly,
Nicol Suhr,
Principal, Arrow Lakes Distributed Learning School
